What my mother taught me..

My mother taught me TO APPRECIATE A JOB WELL DONE.

"If you're going to kill each other, do it outside. I just finished cleaning."

My mother taught me RELIGION.

"You better pray that will come out of the carpet."

My mother taught me about TIME TRAVEL.

"If you don't straighten up, I'm going to knock you into the middle of next week!"

My mother taught me LOGIC.

" Because I said so, that's why."

My mother taught me MORE LOGIC .

"If you fall out of that swing and break your neck, you're not going to the store with me."

My mother taught me about

CONTORTIONISM.

"Will you look at that dirt on the back of your neck!"

My mother taught me about WEATHER.

"This room of yours looks as if a tornado went through it."

My mother taught me about HYPOCRISY..

"If I told you once, I've told you a million times. Don't exaggerate!"

My mother taught me the CIRCLE OF LIFE.

"I brought you into this world, and I can take you out.."

My mother taught me about BEHAVIOR MODIFICATION.

"Stop acting like your father!"

My mother taught me WISDOM.

"When you get to be my age, you'll understand."

My mother taught me about my ROOTS..

"Shut that door behind you. Do you think you were born in a barn?"

My mother taught me IRONY.

"Keep crying, and I'll give you something to cry about."

My mother taught me about RECEIVING .

"You are going to get it when you get home!"

CALORIES

Tiny creatures that live in your closet and sew your clothes a little bit tighter every night.

COFFEE

One morning, a grandmother was surprised to find that her 7-year-old grandson had made her coffee! Smiling, she choked down the worst cup of her life. When she finished, she found three little green Army men at the bottom. Puzzled, she asked, "Honey, what are these Army men doing in my coffee?" Her grandson answered, "Like it says on TV, Grandma. 'The best part of waking up is soldiers in you're cup'..."

MEMBERSHIP DUES

January is only a few months away. Now is the time to start saving your loose change, and in no time at all you will have the money for your dues. As always the dues are only \$20.00. Look for the form at the end of the newsletter. Dues MUST be paid by Jan. 31st, 2012.

Tips For Winter Drivers

- * Have a mechanic check your car's battery, brakes, fluid levels (antifreeze, windshield washer fluid and oil), as well as the heating and exhaust systems to ensure that your car is in good, safe working condition.
- * Try to keep your gas tank full during the winter months. Don't allow the gas to go below half a tank. Not only will this prevent damage from freezing, you'll avoid running out of gas if you're stuck in a traffic jam during the dead of winter.
- * Install snow tires or all-weather radials with adequate treads.
- * An adequate supply of windshield washing liquid is critical to wash away the mud and melted snow that can severely limit visibility.
- * Prepare for an emergency. Keep blankets, flares, a sack of sand for traction, shovel, windshield scraper and brush, tool kit, tow rope, booster cables and a flashlight with extra batteries in your trunk. You should also stock your car with material for survival, such as waterproof matches to melt snow for drinking water, a first aid kit, dry clothing and a brightly colored cloth (to tie to the antenna).

"Okay your father managed to get a mouse. Now how do we use it?"

**YOU ARE ONLY YOUNG ONCE,
BUT YOU CAN BE IMMATURE
THE REST OF YOUR LIFE.**

MEMBERSHIP MEETING

The annual membership meeting will be held on January 9, 2012. We are currently looking for a location to hold it at. If you know of a restaurant that has a private room we could use for free, contact Jamie . If we are unable to find a new location, we will probably have it back at Al's Café in Bethel Park.

Cruises, Show and Super Cruise

The board will be working on the scheduling for next years event dates over the next few months. The dates might need to be adjusted again because of the calendar changes. Look for more info in the next newsletter.

WEBSITE

After many roadblocks Bob was able to get the new web site up and running. Bob is working on adding: pictures, info, videos, etc..

The website is www.washingtoncruisers.com Don't forget you can also visit the Washington Cruisers on face book.

PICNIC

The board would like to thank Elaine Farney for again hosting the club picnic at her home. Her generosity enabled us to save the club money by not having to pay for a pavilion. It would be nice if more members would have been able to come. Those of us who did, had a good time. Thanks again Elaine.
