Super Cruise

The Super Cruise on August 4th is quickly approaching and the board needs your help. We could use items for the Chance Auction. If you can donate an item or get an item donated, we would greatly appreciate it. Any item donated would have the name or business of who donated displayed on the item. This is an easy way to advertise a business. If you can help, contact Jamie.

We will need help with set up at the Super Cruise. Set up is at 8:00 am. We also will need help throughout the day relieving people for a break, to get a bite to eat, or taking down the tents and tables after the Super Cruise is over. Any way you can help would be appreciated.

We Heard You

At the general membership meeting in January, at the Meet and Eat breakfasts in February, March and April, and via email messages and phone calls, our members have been asking when we would again have Washington Cruisers jackets for sale? Well, we heard you and the answer is NOW. Stop at the table when you buy your 50/50 tickets and look at the samples, try one on for size and ask your questions. The jackets we selected are in three different weight materials, for cool weather, or colder weather and BRRRRR weather. All will come with the club logo embroidered on the left chest position. For slight additional costs, you will be able to add our larger logo to the back of the jacket, and maybe you will also want to add your first name to the right chest panel. We have sizes for both men and women, and a couple of color choices. We will order only jackets that are prepaid. So, if you have been wanting a new club jacket, **NOW** is the time.

New Members

Welcome new members Adam & Amanda Wise and their 2015 Ford Mustang GT.

Wild Things Happenings

Yeah, it was cloudy, and it drizzled, right before the ump yelled "Play ball!", but many folks from the area filled the stands to watch the Washington Wild Things play against the Florence Freedom on Sunday, June 9 at 5:35 p.m. As you may recall we were gifted with some tickets and several of our members took advantage of a night out and attended the game. Talk about feeling like a VIP, our members had their own private box, under roof and our own waiter, Chase, who took our food and beverages orders and promptly brought what we asked for. We didn't even have to get out of our seats to pay...our waiter was able to make change for us on the spot. We wish we could say the Wild Things won that night, but they fell short by one run...none the less a good time was had by all. Maybe we will try this again next year...same game, different winner!

Springhouse Cruise

The 5th Annual Celebration of Ice Cream cruise is scheduled for July 21st from 1:00 to 5:00 pm. With the popularity of the cruise growing each year, we have outgrown the parking area at the Springhouse, so parking for the cruise will be at the Eighty-Four Livestock Auction lot across the street from the Springhouse Restaurant. There will be dash plaques and discount coupons for Ice Cream treats for the first 85 cars. The coupon is good for the owner and a "back seat" driver. There will be music, a 50 / 50 drawing, and plenty of good made from scratch eats and treats. There is a rain date of July 28th, but we hope Mother Nature is behaving and we won't need it. Plan on joining us for a good time, good cars, good food and fun!

Transitions / Premier Health / Presbyterian Senior Care South Cruises

For the last several years, the Washington Cruisers have worked with the events coordinators at some of the local assisted living facilities to plan small cruises for the residents who live there. We have gone to care homes to bring the cars to the residents who cannot get to our cruises on their own. These events have been well received by the residents of the facilities and the cars and conversation bring back fond memories for the residents. Because of the limited space available in these venues, the attendance of cruise cars has to be limited. We have signup sheets at the table at our Saturday cruises. The first of these special cruises for this year was held at Presbyterian Senior Care South on Sunday, June 23rd, 2019. The weather was beautiful and it seems that the residents had a very enjoyable time. Our next assisted living cruises will be at Transitions on Aug. 18th, 2019, and then on September 8th we will be at Premier Health. If you are interested in either of these cruises, please sign up at the table at one of our Saturday cruises or contact Rosalie for more information - 412.979.6916. Hopefully the weather will cooperate and we will have sunshine and blue skies!!

Facebook Page

Did you know we have a Facebook page in addition to our Website? The page is ably managed by Board member Bob Black. It is the place to look for current information on club events, including reminders about upcoming activities, and changes in cruises and events due to weather or other issues affecting the day's happenings. This has been a great way to keep up with the Club and has given the Club greater exposure within the Pittsburgh/Washington area and beyond. We always welcome your input and any suggestions or ideas you may have to help make our page better. Come on over and take a look-<https://www.facebook.com/Washington-Cruisers-Car-Club-156101377763742/>
